## DEMENTIA FRIENDLY COMMUNITIES WORKSHOP

Our Year 12 Health and Social Care pupils participated in a Dementia Friendly Communities Workshop. The workshop was informative and engaging. Our pupils are now trained as a Dementia friend so they can help their community.

## CHRISTMAS HAMPER APPEAL

We are delighted to be preparing Christmas Hampers which will then be distributed to local people via the Parish office. We feel that this is a wonderful example of the youth in our parish reaching out to everyone within our community. Year 13 CoPE students are doing tremendous work facilitating the smooth organisation of this activity. Please continue to support this very worthy cause.
